

# Contrivance

~ A Game of Moxie, Mayhem and Machinations ~

Ever want to have your very own Trans-Aether Relocator? How about an Elemental Transmogrifier?

Of course you have, who hasn't?

So gather your components, pass that Esoteric Oscillating Pork Wrench and get to confabulating something amazing!

Oh, and keep a fire extinguisher handy.

## GAME FEATURES

- o Gorgeous Steampunk theme and graphics
- o Unique, Solid, Elegant Game Play Dynamics
- o Light, Fun & Comical but Cut-throat and Strategic
- o 54 Individual Tool Cards with Ridiculous & Quirky Flavor Text
- o Very Rare Analysis Paralysis or Point Gap Frustration
- o 2 Years of Proven Player Satisfaction and Replayability

AGE

12+

15-45

2-4  
PLAYERS

## GAME PLAY

Construct a Contrivance using component tiles of dubious value against your fellow Builders. Use Tool Cards to alter your tiles or to switch on your infernal machine.

*The Contrivance is tested, the smoke is cleared, and the Builder with the most remaining Points wins!*
